Dear Thinesh

Provision of scholarships for 11 students is approved. Pls note that in future I will not approve if the track records of job placement is poor in any course or any institute. Being managers you all have to think the job linking opportunities/ demand before proposing students for courses.

Subject: Fw: Request to approval for Professional course students (ICTT NVQ-04)

Dear Sir,

Please grant the approval for ICTT NVQ L4 who is studying at guide notion campus and we will avoid such of recruitment in future regarding this courses

Re: Request to approval for Professional course students (ICTT N-04)

the attached 11 students were selected for course fees and 04 students out of 11 from BSS benefited students.

Please find the attached Course module, Students details, course fee and TVEC registration copy for your concern thus grant the approval for the provision.

Amount is 258,500/- (per head course fee is 23,500/-)

rgds Thinesh

Subject: Re: Request to approval for Professional course students (ICTT NVQ-04)

Dear Kukan and Thinesh

Our focus of providing scholarships for VT and prof is to find a job, this course has been a primary course, most of them engage with other type of training now after following the course, what we really expect from Prof / VT is missing in this.
