Training on Career Counseling for Government officers

20th November, 2018 @ Sarvodaya Training Centre

Sathurukondan, Batticaloa

Career Counseling

REPORT

Written by: A.Jeyanathan

Berendina Employment Center (BEC) commenced its activities in the year 2000 with the overall objective of uplifting the lives of marginalized youth. Since inception, BEC has linked over 18,861 youth with employment opportunities and provided over 10,343 professional/ vocational training scholarships with a success rate of 65% of youth obtaining employment/ self-employment within a year of training.

BEC's programs for skill development and youth employment have been constantly evolving over the decades responding to the changing environment in which BEC is working and the lessons that BEC learned from its work and the work of others. The strategic planning session reinforced to think and review of BEC's works in the past, contextual demand, challenges and with the best prediction of the next four years on the Skill development and Employment sector in the country. Through this new Strategic Plan BEC is ensuring its commitment to be relevant to the country's priority and contribute for the sustainable development.

In order to complete the particular deliverable, BEC seeks qualified resource person in order to provide a one day-training on career counselling for grass root level government staff from the respective divisional secretariat divisions for facilitate the youth at village level.

Participants: Development officers **22** from divisional secretariat office Paddippalai

Objective of the training

To train and capacitate government officers to achieve the following,

- GND level Government officers enhanced their capacity to conduct career counseling to youth at village level as independently
- Government officers well understood and gained knowledge and sensitized on the career guidance and counseling
- Government officers gained the knowledge and skills to guide the youth
- Government officers ready to change, motivate, guide unemployed youth towards the current job market

At the end of the training, participants have:

- The understanding the concept of the career guidance and counselling and importance
- Ensure the implementation of career guidance process among the grass root level youths
- Ensure the sustainability of the community and specially youths
